GT HORIZONS REFERRAL PERIOD October 1, 2019 through November 29, 2019

The HORIZONS program serves all gifted and talented students that have been tested and qualified for the HORIZONS program. Parents and teachers that wish to refer a student for HORIZONS testing should do so starting, Tuesday, October 1, 2019 through Friday, November 29, 2019. Parents/guardians who wish to refer their child for HORIZONS testing must follow the process described below:

- Please access the parent information within the HORIZONS website at <http://www.cfishd.net/en/parents-students/academics/gifted-talented/> to review the PowerPoint presentation entitled, Who are the Gifted?: A Parent's Guide to Understanding the HORIZONS Program. If testing is appropriate, the form may also be accessed on the HORIZONS website and at the Front Desk.
- Return the HORIZONS Parent Survey and Permission to Test form to the Counseling Office **no later than Friday, November 29, 2019**. Students will not be screened unless the Parent Permission form is **returned by the November 29 deadline**.

All GT testing will be done with Kindergarten-5th grade students on campuses during the school day in January, 2020. These dates also include any makeup testing for students absent. Kindergarten students who qualify for HORIZONS will receive services beginning in March, 2020, with parent permission. Students in grades 1-5 who qualify for HORIZONS will receive services at the beginning of the 2020-21 school year, with parent permission.
